

MAP NOT INTENDED FOR NAVIGATIONAL USE

Base images modified from Esri © 2021 and its licensors

Arctic Research and Policy Act boundary from the U.S. Arctic Research Commission; sea ice extent from the National Snow and Ice Data Center; population of U.S. cities from the 2020 U.S. census; population of foreign cities from Esri © 2021 and its licensors; protected areas from the Bureau of Land Management; maritime boundaries from the National Geospatial-Intelligence Agency; Exclusive Economic Zone boundaries from the U.S. Bureau of Ocean Energy Management; all other data provided by USGS The National Map. See map pamphlet for details and citations of individual datasets. Users should be aware that temporal changes may have occurred since these data were collected and that some data may no longer represent actual surface conditions.

EPS8388 Alaska Polar Stereographic Projection; World Geodetic System 1984

GIS and cartography by C.L. Richmond, edited by John Osias; digital cartographic production by Joseph Mangano

Manuscript approved for publication November 20, 2021

## The Arctic Research and Policy Act Region—Mainland Alaska

By  
Dee M. Williams and Christopher L. Richmond  
2021

This map is not a legal document. Boundaries may be generalized for this map scale. Not all tribal or federal lands are shown. Private lands within government reservations may not be shown. Obtain permission before entering private lands.

Any use of trade, product, or firm names in this publication is for descriptive purposes only and does not imply endorsement by the U.S. Government.

This map or plate is offered as an online-only, digital publication. Users should be aware that, because of differences in rendering processes and pixel resolution, some slight distortion of scale may occur when viewing it on a computer screen or when printing it on an electronic plotter, even when it is viewed or printed at its intended publication scale.
